

## Delightful Description

Identify the adjectives in each of these sentences and uplevel them. You could do this by choosing a more ambitious adjective or by using a descriptive technique, for example a simile or an expanded noun phrase. You could also practise your handwriting by writing them out.

Here is an example to help.

Harry and his friends stood in the middle of the big Quidditch pitch, waiting for the lesson to start.

Harry and his friends stood in the middle of the vast, impressive Quidditch pitch, waiting for the lesson to start.

1. Professor Hooch was very serious as she walked onto the pitch.
2. Harry heard a horrible laugh coming from behind him.
3. In his hand, Malfoy held something small and round.
4. Harry flew very fast through the air.
5. Loud shouting could be heard from the rest of the Gryffindor's who were watching and waiting for Harry to land.
6. A big smile spread across Oliver Wood's face when he heard how good Harry was at Quidditch.
